COMPLETE SAVINGS BANK FACILITIES

The Springfield Institution for Savings is a mutual savings bank operated exclusively for the benefit of its depositors. It has no stockholders. After expenses are paid and adequate reserves established to protect deposits, the earnings are distributed to depositors in the form of dividends.

◆

The Oldest and Largest Thrift Institution in Western Massachusetts

SAVINGS

Regular Savings Accounts keep your money safe — earning dividends — and ready for use. Deposits start earning dividends from the first business day of each month.

Payroll Savings Accounts offer employees of any cooperating firm a voluntary, systematic savings plan by payroll deduction.

School Savings Accounts, for which this bank provides facilities, are a vital part of the thrift education program in most Springfield and Longmeadow schools.

Christmas and Vacation Clubs provide a systematic way to save with a handy coupon book to remind you. No charge for opening clubs.

LOANS

Home Loans. If you are interested in buying, building or refinancing a home, the bank offers prompt, friendly service and competent advice from men widely experienced in all sorts of home-owning problems. See us first for Savings Bank Mortgage Loans, G.I. Mortgage Loans, and F.H.A. Mortgage Loans.

Other Loans. Financial problems require personal analysis for each individual. If you need money to fix up your home, buy an auto, or meet some unexpected emergency — come in and talk over your plans with one of our experienced staff. Our service includes Personal and Auto Loans, Home Repair Loans and Collateral Loans.

OTHER SERVICES

Banking by Mail makes banking as convenient as your nearest mail box. Just send in your name, address and first deposit. We'll open your account and send you a signature card, a bank book, and a supply of **MAILTELLER** envelopes.

"Savings Bill" is a monthly reminder service to help you save regularly. We send you a monthly "bill" for the amount you want to save, and a convenient postage-paid envelope.

Savings Bank Life Insurance provides low premium rates, high cash values and high loan values in life insurance for every member of the family — one month to 70 years. Rates and details on request.

U. S. Savings Bonds may be bought or redeemed here. When cashing bonds on or before maturity, bring positive identification. We are also glad to give you advice and information on all Savings Bond problems.

Register Checks give you a safe, convenient way to pay bills or make purchases by mail . and a permanent record of each payment. The cost is only 10 cents for checks up to $100.

Travelers' Checks protect your funds from fire, loss or theft and can be cashed in any part of the world. Cost is 75 cents per $100.
